

Copyright transfer

The Bureau International des Poids et Mesures and the Institute of Physics Publishing Ltd (BIPM and IOPP) agree to consider publishing:

Manuscript title:

Authors:

Reference Number:

in the journal *Metrologia* or its *Technical Supplement*.

1. Submission of a manuscript to *Metrologia* implies:

- This manuscript in its present or a substantially similar form has not been published previously and is not currently under consideration for another publication. It will not be submitted elsewhere unless or until it has been officially rejected by or withdrawn from *Metrologia* prior to acceptance.
- The manuscript contains no libellous or unlawful statements and does not infringe the copyright, rights or privacy of others.
- All statements in the manuscript asserted as fact are either true or based on reasonable research.
- For material contained in the manuscript taken from other copyrighted sources, the owner's written consent has been obtained to the present publication of the material free of all royalties and copies of all such written consents are attached. Other than this, the contents of the submission are the original work of the authors.
- All named authors have participated sufficiently in the conception, design and the writing of the manuscript to take public responsibility for it. All authors have received the final version of the submitted manuscript and have agreed to its submission.
- Submission of the manuscript has been approved where necessary by the responsible authorities at the establishment where the research which led to this manuscript was undertaken.

2. The copyright of the manuscript is transferred to BIPM and IOPP (in the case of authors employed at Government laboratories; for example, employees of the US Federal Government: **to the extent that copyright is transferable**) effective **if and when** the manuscript is accepted for publication.

3. This copyright transfer covers the exclusive right to reproduce and distribute the published article, including reprints, translations, photographic reproductions, microfilm, electronic form (online and offline) or any other reproductions of a similar nature.

4. The author(s) may make this (their) article published by BIPM/IOPP available on their personal websites provided the source of the published article is cited and BIPM/IOPP are mentioned as the owner of copyright or as having received a licence to print.
5. This agreement does not affect proprietary rights other than copyright. In particular, it does not affect patent rights in or to the contents of the manuscript.

Please sign below

I declare that I am signing as author and (except where the work was written in the course of the author's employment by a government agency) owner of the copyright of the work on my own behalf and behalf of any co-authors.

Signature:

Name (print):

Date:

Note: to be signed by the author (or if more than one, by one of them in a representative capacity).

If you or any of your co-authors are employees of a government laboratory or agency, please ensure that you have obtained the appropriate authorization – see below.

I declare that the above work was written in the course of employment by the US Government, the Canadian Federal Government or by the UK Government (the authority). I am a duly authorized representative of the Authority.

Signature:

Name (print):

Date:

Title (if not author):

Note: to be signed by an authorized representative of the authority where the author(s) have written the work in the course of their employment by the authority.

<p>Please return ALL PAGES of this form as soon as possible to: <i>Metrologia</i>, BIPM, Pavillon de Breteuil, F-92312 SÈVRES CEDEX, France</p>
